Dear Mr. Slate;

My name is Pebbles Flintstone. I am 15 years old and just finished 9<sup>th</sup> grade at Bedrock High School. I am in the Bedrock Rocks 4-H Club and I am raising 2 Hampshire hogs for my 4-H projects this year. You probably know my parents Fred and Wilma Flintstone.

This is my 3<sup>rd</sup> year taking hogs to the fair and I enjoy them very much. I am working very hard to increase the weight of my hogs this year from the first two years. My favorite part of this project is taking them for walks. I give them marshmallows as rewards and they love them!

I enjoy being in 4-H. It teaches me how to care for my animals and how to talk to people. I always try something new every year. This year I am also taking a cooking project so that I can start learning how to cook. I am planning on using the money I receive for my project this year to purchase my animals for next year. I am thinking about taking a market lamb also next year.

I would like to invite you to attend the Bedrock County Fair Livestock Auction this year and would be honored if you would bid on my project. Before the fair, I will be at my hog's pen if you would like to see me and the animal. If you are currently not on the mailing list to receive passes for the fair, please let me know and I will make arrangements for you.

Please contact me or my parents if you have any questions.

Thank you for your support.
