State Fair Woodworking Guidelines

This year the Ohio State Fair has published the guidelines needed for qualifying woodworking projects. Please note that what you bring to Carroll County Fair judging and what you take to the Ohio State Fair CAN be different! Due to the Still Project Auction, it is very common for our woodworking projects to be more complex than what is required at the State Fair. As always, when you are building/constructing your project for the Carroll County fair, you are to utilize the tools and skills required in your book – but you are able to go over and above those skills listed. BUT if you qualify for the Ohio State Fair, you should be prepared to take something to display that meets the guidelines provided. To see what those guidelines are, click on the following link: http://go.osu.edu/CC4HForms and scroll down the OHIO State Fair area.

Annual Jr. Fair Chicken BBQ

The Carroll County Jr. Fair Facilities Improvement Committee will be hosting the Annual Chicken BBQ at the Carroll County Fairgrounds on Saturday, June 22nd from 4 to 7pm.

Cloverbud Graduation

We will be holding Cloverbud Graduation following the Awards Ceremony at the Carroll County Fair on Sunday, July 21st. If you have a child that will be graduating watch for your invitation to come in July! Graduates will be those youth that are at least 8 years old and entering 3rd grade.

ADVISOR CORNER!

✈️ If you are interested in helping with either Skillathon or Still Project Judging – Please contact the office as soon as possible.
✈️ If you would like to borrow the skillathon kits please call the office and sign them out.
✈️ All Clubs will be assigned a booth to decorate in the Exhibit Hall. We do not have a theme this year since it is more fun to see the variety and creativity! We will be sending out information to Advisors shortly.
2019 Still Project Judging Requirements:

Each participant must bring:

- Completed project book showing involvement in and progress toward completion of their project
- Product required for their specific project (poster, display, scrapbook, welded project etc. Food and clothing projects, please refer to state fair requirements)

After each project is judged, those receiving an Excellent will be eligible to receive an Outstanding of the Day. State Fair Participants are selected from those who receive an Outstanding in their project.

Awards for the day will be given at the Still Project Awards Ceremony on Wednesday, July 10th at 6pm. Outstanding Court will also be introduced at this time.

State Fair requirements needed for each project can be found at: http://go.osu.edu/CC4HForms and scroll down to the Ohio State Fair Section. If you do not have internet access or have questions, please feel free to call the office.

Profit/Loss Statements in Livestock Projects 2019

It is important to note that the Profit/Loss Statement is worth 10 points during judging. A profit/loss statement is a valuable tool for 4-H members. It allows you to learn and understand the value of your time and the money you have invested in your animal.

Following is a list of the current market price for each of your animals.

- Please use these numbers to calculate what your profit/loss is.
- When calculating the weight of your animal – use a realistic weight you expect your animal to have achieved at weigh-in the first day of fair.
- How to calculate: multiply the weight by the price to get the total amount

Example: 90lb Lamb would be 90 X $1.96 = $176.40

<tr>
<th>Broilers/Turkeys: $2.90/pound</th>
<th>Ducks: $5/pound</th>
<th>Rabbits: $4.00/pound</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hogs: 220-250lbs - $0.59/pound</td>
<td>Lambs: 80-100lbs – $1.85/pound</td>
<td>Goats: $2.80/pound</td>
</tr>
<tr>
<td>under 220lbs -$0.55/pound</td>
<td>100-130lbs - $1.85/pound</td>
<td>Beef: $1.50/pound</td>
</tr>
<tr>
<td>over 250lbs -$0.48/pound</td>
<td>130-&amp; Up - $1.72/pound</td>
<td>Dairy Beef Feeders: $1.28/pound</td>
